Hand, Hoof and Heart's annual benefit is a vibrant gathering where our community comes together to support individuals of all abilities through our therapeutic equine programs. This year, we anticipate welcoming 150 guests as we aim to raise \$60,000 to support our Participant Scholarship Fund and general operating expenses.

The event will feature drinks, dinner, a silent auction, raffle, Fund-a-Need appeal, and music.

WHO WE ARE

Hand, Hoof and Heart is a nonprofit organization dedicated to fostering connection, growth, and belonging through therapeutic equine programs. Founded by Erin Chimberoff in 2013, Hand, Hoof and Heart was born out of a desire to create a sense of purpose and belonging for individuals of all abilities. Inspired by the transformative power of human-animal partnerships, our founder envisioned a space where participants could build confidence, develop life skills, and experience healing in a supportive and inclusive environment. Today, we continue that mission, offering programs that empower individuals, strengthen relationships, and create a lasting impact in our community.
